Bb Dm Gm Dm
A Navy Brat from Newport News and you were new to Town

Gm Eb F7
So you didn't have a guy to tie you down

Bb Dm Gm Dm
You were selling T-shirts while I played with my band

Gm Eb F7
And when our set was over I thought I'd lend a hand

Dm Gm Cm F Gm
And your tongue tasted like cigarettes and your kisses unrestrained

Dm F7 Eb Bb
And I remember everything about you but your name

Bb Dm Gm Dm
The gang went to the mountains for a three day long weekend

Gm Eb F7
And you were a friend of a friend of a friend

Bb Dm Gm Dm
We spent our days on chairlifts, on snowboards and on skis

Gm Eb F7
We spent our nights on Wine and Smelly Cheese

Dm Gm Cm F Gm
Then I took you to the airport and you flew off on a plane

Dm F7 Eb Bb
and I remember everything about you but your name

Cm F Dm Gm
I recall the way that you wore your hair, the gum you chew and the way you swear

Eb Cm F7
the memory of it seems somehow surreal

Cm F Dm Gm
and though its been so many years and your name has somehow disappeared

Eb Cm F7
I can't forget the way you made me feel

Bb Dm Gm Dm
You came to San Francisco just before the start of fall
Gm Eb F7

with a troupe that hung from ropes and danced on walls
Bb Dm Gm Dm
You wrote me a poem and I set it to a tune
Gm Eb F7
and I played it for you hoping that you'd swoon.

Dm Gm Cm F Gm
And we had our night and I wanted more but you didn't feel the same

Dm F7 Eb Bb
And I remember everything about you but your name

Cm F Dm Gm
I recall what got you irritated, how you like to stay up late

Eb Cm F7
its all been safely stashed inside my mind

Cm F Dm Gm
in all the fragments of those days all cataloged and stacked away

Eb Cm F7
your name is still the one thing I can't find

(Solo)
